

Paul D. Miller

Adm. Paul D. Miller, U.S. Navy (Ret.), is the retired chairman and CEO of Alliant Techsystems Inc., an aerospace and defense company.

He served 30 years in the U.S. Navy, including tours as commander-in-chief, U.S. Atlantic Command and as NATO Supreme Allied Commander-Atlantic.

Following his distinguished military career and prior to joining Alliant Techsystems, he served as president and CEO of Sperry Marine, Inc. from 1994 to 1998.

Miller has served on the board of directors of Teledyne Technologies, Inc. since 2001 and is a member of its audit committee. He previously served on the board of directors of Donaldson Co., Inc. and as a member of its audit committee. He was also a director of Atlantic Marine Inc., a private company, from 2009 until it was sold in 2010.

He earned a bachelor's degree from Florida State University and an MBA from the University of Georgia. He also completed the U.S. Navy War College and the Executive Management Program (PDM) at Harvard Business School.
