Technical Solutions

Huntington Ingalls Industries' Technical Solutions division is a professional services business providing mission-critical and practical solutions to a wide variety of government and commercial customers worldwide. Technical Solutions' expertise includes:

- Modeling, simulation and training
- C4ISR engineering and software integration
- Intelligence analysis and operations
- Chemical, biological, radiological, and nuclear (CBRN) engineering and support services
- Installation emergency management
- Information technology
- Software development
- Cyber security and information assurance
- Digital library systems and publishing
- Integrated lifecycle logistics
- Fleet maintenance and modernization
- MSRA Full-Service Shipyard in San Diego
- Nuclear and non-nuclear fabrication and equipment repair
- Naval architecture/marine engineering and design
- Asset management and material readiness
- Manned and unmanned autonomous undersea systems
- Nuclear management and operations, and DOE site management
- Oil and gas engineering and support services

Technical Solutions employs more than 5,000 people working in 35 states and 11 countries, with mobile "fly-away" teams that can support emergent situations around the globe. Major concentrations of employees are located in:

- Washington, D.C.
- Hampton Roads, Virginia
- Orlando, Florida
- Huntsville, Alabama
- Philadelphia, Pennsylvania
- Houston, Texas
- San Antonio, Texas
- San Diego, California
- Bremerton, Washington
- Richland, Washington
- Broomfield, Colorado
- Panama City, Florida
- Aiken, South Carolina
- Carlsbad, New Mexico
- Los Alamos, New Mexico
- The Pacific Rim
- The United Kingdom
- The Middle East

Technical Solutions was established in 2016 when HII acquired Camber Corporation and consolidated HII's existing service businesses into one operating division. The consolidation involved the merging of Camber with AMSEC, Continental Maritime of San Diego, Newport News Industrial, SN3, Undersea Solutions Group and

UniversalPegasus International.

About Huntington Ingalls Industries

Huntington Ingalls Industries is America's largest military shipbuilding company and a provider of professional services to partners in government and industry. For more than a century, HII's Newport News and Ingalls shipbuilding divisions in Virginia and Mississippi have built more ships in more ship classes than any other U.S. naval shipbuilder. HII's Technical Solutions division provides a wide range of professional services through its Fleet Support, Integrated Missions Solutions, Nuclear and Environmental, and Oil and Gas groups. Headquartered in Newport News, Virginia, HII employs nearly 37,000 people operating both domestically and internationally. For more information, visit: www.huntingtoningalls.com.
