

## HII Scholarship Fund Video

*Emily Trumbaturi:* I think electrical engineering is a good field for women to go into because I think it's important to get more women out there into the field.

*Brycen Scott:* I'd like to say thank you to Huntington Ingalls Industries. I was very humbled and honored to receive this scholarship. So I would just like to tell them thank you from the bottom of my heart.

*Krista Toehay:* I actually sat in my car and cried. It's a very big blessing for us at this time and I'm really proud of her for the accomplishments that she's made.

*Elizabeth Horley:* This scholarship will allow me to focus more on my studies and to pursue outside activities that'll help me with my career in the future.

*Female:* I chose early childhood education because I love children and that's where children get their stepping stones to learn when they're younger.

*Marie Massey:* My scholarship is going to help me by providing the financial means to go to a good university and study physical therapy.

*Antony Thomas:* I was extremely excited when I found out about the scholarship. My wife and I, we've been wanting to send our daughter here to the Gateway Christian Academy and with this scholarship that will be a great help for us.

*Michaela Friend:* This scholarship would aid me in paying for books and paying for things that I would need in order to help me become successful.

*Joshua Quitaro:* A head start financially put those funds that we set aside for his Pre-K experience for his college experience.
